*For Municipalities that also contract for Land Disturbance Code enforcement, Zoning Approval includes municipal approvals for municipal and private roadways (proposed and existing), flood plain management regulations, applicable private storm conveyance and/or control system regulations, collection and administration of site development escrows, and other applicable municipal laws and regulations.

Note: Applicants for building and/or land disturbance permits must submit this form together with four (4) copies of the site plan approved, signed and dated by the Municipal Official to St. Louis County, Department of Public Works in order to obtain the permit. Applicants may file their application for permit with the county to start the County's review process while they finalize obtaining their Municipal Zoning Approval; however, the permit will not be issued until the Zoning Approval is received. Applicants should verify that the use and building/parking lot configuration on the site is approvable by the Municipality before submitting to the County.
